The attached inspection is a **draft** copy, from the Bond release inspection on June 8, 2016. The edited copy of the inspection will be finalized, signed and sent out as soon as possible.

Please keep in mind the existing portal, which is shown on the NOI, but not noted to remain open, needs to be reclaimed (closed to entry).

All of the above sections will be reviewed in your finalized, signed review.

It is the goal of OGM to send out the most thorough and detailed review possible as per R647-4-101. 1.

If you have any further questions please don't hesitate to call me at [801-538-5257](tel:801-538-5257) thx-lah
